(F) Supervisor Dashboard

The screenshot displays the 'Dela Supervisor' dashboard. At the top, there is a header bar with the 'stratos' logo on the left, a 'Themes' button, and the title 'Dela Supervisor' with a settings gear icon on the right. Below the header, the dashboard is divided into several sections. On the left is a sidebar titled 'SUPERVISOR' containing three menu items: 'Home' with a house icon, 'Dashboard' with a grid icon and highlighted in blue, and 'Shifts' with a calendar icon. The main content area features a top filter bar with three dropdown menus: 'All Clients' (set to 'All Clients'), 'Country' (set to 'South Africa'), and 'All Provinces' (set to 'All Provinces'). Below these is a 'Map View' dropdown and a blue 'Filter' button. The dashboard includes two circular progress charts. The 'Employees' chart shows 'On Shift' in pink and 'Off Shift' in blue, with the pink segment representing approximately 80% of the total. The 'Clients' chart shows 'Active Clients' in pink and 'Inactive Client' in blue, with the pink segment representing approximately 60% of the total. A vertical scrollbar is visible on the right side of the dashboard.
